

BSB51915 - Diploma of Leadership and Management

Designed for people wishing to develop the skills and knowledge required to be an effective leader and manager of individuals and/or teams.

Qualification Pathway

You will learn the knowledge and practical skills required to manage and lead people across a range of enterprise and industry contexts. At this level you will be expected to display initiative and judgement in planning, organising, implementing and monitoring your own workload and the workload of others. You'll use communication skills to support individuals and teams to meet organisational requirements and plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse and synthesise information from a variety of sources.

Prerequisites

If you don't hold a year 12 certificate you must be assessed as displaying a required

level of competence in both reading and numeracy. To do this we may give you a test to see if you have the skills to give you a good chance of completing the course.

Course length

The course is an online training program and is typically delivered over 12 months with the requirement of completion of written assessments.

Course commencement

You can start anytime and study when and where it suits you.

Cost

\$4,995
