Get Your Trade Skills Recognised

Do you have trade skills and experience but no formal qualification?

Trade Recognition

Trade Recognition is the process of having your skills and work experience formally assessed against industry and educational requirements for the purpose of gaining a formal trade qualification.

MTA Institute offers a **Government Subsidised Trade Skills Assessment and Gap Training Program** for the following qualifications:

- **AUR30320** – Certificate III in Automotive Electrical Technology
- **AUR30420** – Certificate III in Agricultural Mechanical Technology
- **AUR30620** – Certificate III in Light Vehicle Mechanical Technology
- **AUR30720** – Certificate III in Outdoor Power Equipment Technology
- **AUR30820** – Certificate III in Motorcycle Mechanical Technology
- **AUR31020** – Certificate III in Automotive Sales (Parts Interpreting)
- **AUR31120** – Certificate III in Heavy Commercial Vehicle Mechanical Technology
- **AUR31220** – Certificate III in Mobile Plant Technology (Mobile Plant Equipment)

- **AUR32120** – Certificate III in Automotive Body Repair Technology
- **AUR32420** – Certificate III in Automotive Refinishing Technology
- **AUR32518** – Certificate III in Automotive Underbody Technology

Eligibility

Applicants must meet the following eligibility criteria:

- Aged 21 years or over
- Have not completed a trade qualification in the same industry area
- Permanently reside in Queensland
- Be an Australian or New Zealand citizen, or hold an eligible visa as identified by the [Department of Employment, Small Business and Training](#); or
- Meet any additional eligibility requirements identified through this Initiative and:
 - Individuals assessed as demonstrating substantial competency in a prospective trade qualification, who require gap training in no more than 40% of the funded competencies of that Priority Trade Qualification; and
 - Express a commitment to gain the entire qualification.

Fee information

This program is mostly subsidised by the Queensland Government; however, mandatory student co-contribution fees are applicable for all units requiring gap training.

Course length

The course duration will depend upon individual circumstances and the amount of gap training required.

The duration and applicable fees will be advised upon a successful application.

Enrol

Training and assessment can be arranged at either MTA Institute's premises or an approved automotive workplace.
