

# **Complaints Policy and Procedure**

# **Complaints Handling:**

MTA Institute is committed to providing a fair and transparent complaint handling process.

# What is a complaint?

A complaint is generally negative feedback about services or people which has not been resolved locally.

# Who does this policy apply to?

This policy applies to and may involve issues concerning the conduct of:

- MTA Institute as an organisation, its trainers, assessors or other staff;
- A third party who is providing services on behalf of MTA Institute, its trainers, assessors or other staff; or
- A learner of MTA Institute

This is an important point to note in understanding this policy has a broad application and is not simply relevant to complaints that may be made by learners. A complaint may be made by an employer about MTA Institute or by the trainer about the conduct of the learner. Throughout this policy we refer to the person making a complaint as simply the complainant.

## Early resolution of complaints

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time they occur between the persons involved. It is often the case that complaints can be avoided by proper communication and respect between persons involved.

#### Relationship to continuous improvement

Frequently, the complaints handling process will expose weaknesses in the training and assessment or administrative system that can flow into the continuous improvement system as opportunities for improvement. This outcome of complaints handling is very positive and should be actively applied by all persons involved. It is for this reason that all complaints received should be seen in a positive light and as opportunities for improvement.

V6 Oct 2023 Page 1 of 7

#### Making a complaint

Complaints may be made by any person. A complaint may be received by MTA Institute in any form and does not need to be formally documented by the complainant in order to be acted on.

The complainant is advised on MTA Institute's website to email the details of their complaint; the actions that have been undertaken to resolve their issue; and their desired outcome to <a href="mailto:complaint@mtai.edu.au">complaint@mtai.edu.au</a>.

Alternatively, a hard copy of these details may be forwarded to:

The Director
MTA Institute
Building 8, 2728 Logan Road (PO Box 4530)
EIGHT MILE PLAINS QLD 4113

Or the complainant may contact MTA Institute on Ph: (07) 3722 3000.

In all cases, the MTA Institute recipient of the complaint will record the complaint details on a *Complaints Handling Record Sheet (Annexure 2)*.

#### **Complaint handling procedure**

MTA Institute will apply the following procedure to its complaints handling:

- A complaint may be received in any form (written, verbal) although persons seeking to make a complaint are advised to email <a href="mailto:complaint@mtai.edu.au">complaint@mtai.edu.au</a>. There is no time limitation on a person who is seeking to make a complaint. A person who makes a written complaint must be **provided a written acknowledgement** as soon as possible, ie. **no later than 1 working day** from the day the complaint is received. This acknowledgement is intended to provide the complainant assurance that MTA Institute has received the complaint, will review the relevant issues and provide a response. The acknowledgement must inform the complainant that they will receive a written response within 14 days.
- All complaints are to be recorded on a Complaints Handling Record Sheet, which is
  used to maintain a chronological journal of events during the complaint handling
  process. A complaints register is to be kept by MTA Institute's Quality Manager to
  record details of lodgement, response and resolution. Records relating to complaint
  handling must be stored securely to prevent access to unauthorised personnel.
- A complainant is to be provided an opportunity to formally present his or her case to MTA Institute at no cost.
- Each complainant may be accompanied and/or assisted by a support person at any relevant meeting.
- Where a complaint is made about, or involves, allegations about another person, MTA Institute is obliged to inform this person about this complaint or allegation and provide them the opportunity to respond and present information in response to the issues raised. This may be achieved through direct meetings or via an electronic

V6 Oct 2023 Page 2 of 7

method. MTA Institute must maintain a detailed record of these meetings in the form of a record of conversation. At all times information must be handled sensitively and treated in confidence. Persons involved in a dispute or complaint should be reminded to treat each other with respect and conduct themselves in a professional and courteous manner.

- Where a complaint is received by MTA Institute which involves allegations about alleged criminal conduct, MTA Institute are to recommend the complainant refer the matter to the relevant State or Territory Policy Service.
- This Complaints Policy must be publicly available. This means that the complaints policy and procedure must be published on MTA Institute's website.
- The handling of a complaint is to commence within **7 working days** of the lodgement of the complaint and all reasonable measures are taken to finalise the process as soon as practicable.
- The complainant is to be provided a written response to the complaint, including details of the reasons for the outcome. A written response must be provided to the complainant within **14 working days** of the lodgement of the complaint.
- Complaints must be resolved in a final outcome within **60 calendar days** of the complaint being initially received. Where MTA Institute's Director considers that more than 60 calendar days are required to process and finalise the complaint, the Director must inform the complaint in writing, including reasons why more than 60 calendar days are required. As a benchmark, MTA Institute should attempt to resolved complaints as soon as possible. A timeframe to resolve a complaint within 30 calendar days is considered acceptable in the best interest of MTA Institute and the complainant. A complainant should also be provided with regular updates to inform them of the progress of the complaint handling. Updates should be provided to the complainant at a minimum of **2 weekly intervals**.
- MTA Institute shall maintain the enrolment (if applicable) of the complainant during the complaint process.
- Decisions or outcomes of the complaint process that are in favour of the learner shall be implemented immediately.
- Complaints are to be handled in the strictest of confidence. No MTA Institute representative is to disclose information to any person without the permission of MTA Institute's Director. A decision to release information to third parties can only be made after the complainant has given permission for this to occur. This permission should be given using the *Authority to Release Information form* (Annexure 1).
- Complaints are to be handled to ensure the principles of natural justice and procedural fairness are applied at every stage of the complaint handling process. This means that the complainant is entitled to be heard with access to all relevant information and with the right of reply. The complainant is entitled to have their complaint heard by a person that is without bias and may not be affected by the decision. Finally, the decision must be made on logical evidence and the decision-

V6 Oct 2023 Page 3 of 7

maker must take account of relevant considerations, must act for a proper purpose and must not take into account irrelevant considerations. Further guidance on principles of natural justice and procedural fairness can be accessed at the following link: Good Decision-Making Guide

• Complaint handling procedures should conclude with an analysis of circumstances to identify any opportunities for improvement and the completion of a *Continuous Improvement Report (Annexure 3)*.

#### **Informing Persons and Responding to Allegations**

Where a complaint involves one person making allegations about another person, it is a requirement for MTA Institute to hear both sides of the matter before making any judgements about how the complaint should be settled. A person who will be affected by a decision made by MTA Institute as a result of a complaint has the right to be fully informed of any allegations and to be provided adequate opportunity to be heard and respond. The person has the right to:

- Put forward arguments in their favour,
- Show cause why a proposed action should not be taken,
- Deny allegations,
- Call for evidence to disprove allegations and claims,
- Explain allegations or present an innocent explanation, and
- Provide mitigating circumstances (information aimed at reducing the severity, seriousness, of something).

MTA Institute also has an obligation to fully consider the substance of allegations and the response provided by parties before making a decision. Decisions must be communicated to the complainant and relevant persons subject of allegations in writing. This is to include advising these persons of their right to seek a third-party review of decisions made by MTA Institute.

Where an allegation is made that involves alleged criminal or illegal activity and it is considered outside the scope and expertise of MTA Institute to investigate the matter, then in these circumstances MTA Institute reserves the right to report these allegations to law enforcement authorities. Persons related to the matter involving alleged criminal or illegal activity will be advised in writing if this course of action is being taken.

#### **Third Party Review**

Where the complainant is not satisfied with the handling of the matter by MTA Institute, they have the opportunity for a body or person that is independent of MTA Institute to review his or her complaint following the internal completion of the complaint handling process. Before the complainant seeks a review by an independent person, they are requested to first allow MTA Institute to fully consider the nature of the complaint to fully respond to the person in writing. If after this has occurred, the person is not satisfied with the outcome, they can then seek a review by an independent person. To request a review by an independent person, the complainant should inform the Director of their request who will initiate the process.

V6 Oct 2023 Page 4 of 7

In these circumstances MTA Institute's Director will advise of an appropriate party independent of MTA Institute to review the complaint outcome (and its subsequent handling) and provide advice to MTA Institute regarding the recommended outcomes. The independent third-party is required to respond with their recommendations within **14 working days** of their review being requested. This advice is to be accepted by MTA Institute as final, advised to the person making a complaint in writing and implemented without prejudice.

Where MTA Institute appoints or engages an appropriate independent person to review a complaint, MTA Institute will meet the full cost to facilitate the independent review. Where the complainant objects to this appointment and requests to engage a person or organisation they nominate, MTA Institute may request the complainant contributes toward the cost of the review.

When a complaint is received by MTA Institute and the Director feels that they may be bias or there is a perception of bias, then the complaint is to be referred directly to an independent third-party for consideration and response as outlined above.

#### **Unresolved Complaints**

At full conclusion of the complaint handling process where the person making a complaint remains not satisfied with the outcome of the complaint handling procedure, the person making a complaint is to be directed to the following external agencies:

- In relation to a consumer related issue, the complainant may refer their complaint to the Office of Fair Trading.
- In relation to their delivery of training and assessment services, the complainant may refer their complaint to the Queensland Training Ombudsman telephone 1800 773 048 or the National Training Complaints Hotline telephone 13 38 73.

It is expected that the above agencies will investigate the complainants concerns and contact MTA Institute for information.

MTA Institute is to cooperate fully with agencies such as the National Training Complaints Service, the Office of Fair Trading or ASQA that may investigate the handling of a complaint. MTA Institute considers it would be extremely unlikely that a complaint is not able to be resolved quickly within MTA Institute internal arrangements.

#### **Record Management of Complaint Records**

Records relating to complaints will present in two formats. There will be electronic records in the form of email correspondence and other documents which are communicated electronically and hard copy records which are submitted by the complainant or generated by MTA Institute. There is also a record of the complaint maintained within MTA Institute's quality management system. This includes the details about the complaint and a diary log which records the progress of the complaint handling and closure. This record also records identified opportunities for improvement that result from complaints handling.

V6 Oct 2023 Page 5 of 7

All records will be saved in a digital format into a secure folder located on MTA Institute's file storage. Each file is to be clearly labelled with the document title or subject and the date of which the document was received or generated. This folder must only be accessible to persons authorised by the Director.

To ensure records are maintained in a safe and suitable condition, the following is to apply:

- Records must be kept securely to prevent them being accessed by any nonauthorised personnel.
- Records must be kept confidential to safeguard information and to protect the privacy of complainants.
- Records must be kept to avoid damage by fire, flood, termites or any other pests.
- Electronic data storage must be safe from destruction by fire or flood and should take account of the risk of component failure of a single storage device. Electronic data is also to be backed-up off site.

#### **Period of retention of Complaints Records**

MTA Institute is to retain records relating to complaints handling for a minimum of 5 years.

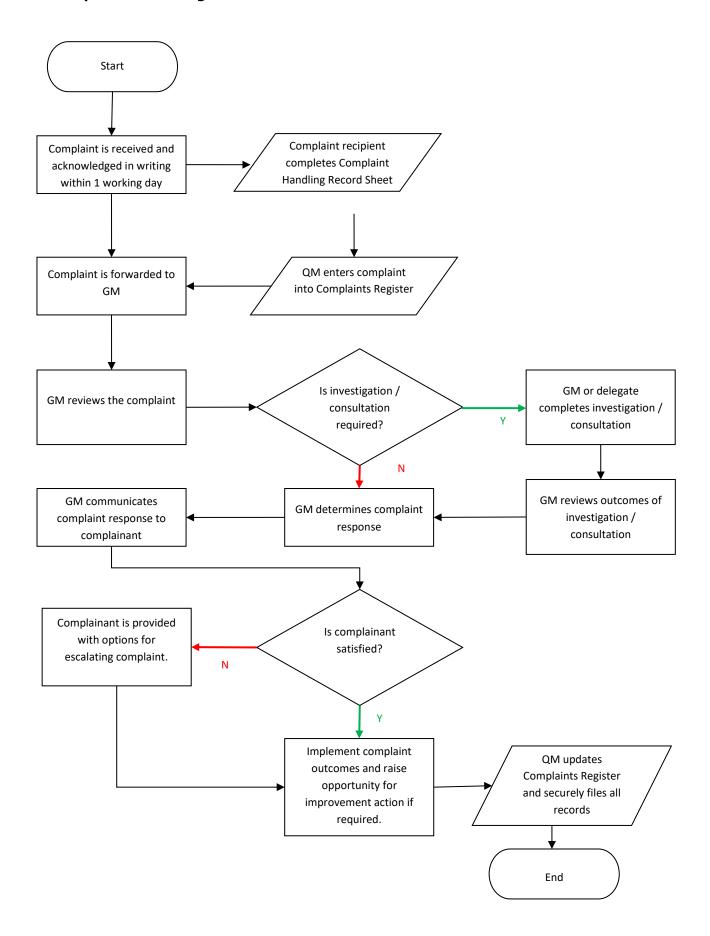

#### **Destruction of Complaints Records**

MTA Institute's Director is the only person who can authorise (in writing) the destruction of complaint handling records. Records are only to be authorised for destruction after the retention period has lapsed. Documents identified for destruction are to be shredded before being recycled.
